Private and Confidential.

Chancellor Jones,

University of New Brunswick.

Dear Chancellor Jones:

I have an application this morning from Mr. George J. Marr, one of your graduates, for a Fellowship in graduate work. The Committee has just met and are very favourably disposed to Mr. Marr, but before taking action I would like to know your private opinion as to his real ability and prospect for development as a student. If he is given a Fellowship he would be expected to devote his attention to Economics in which I see that his record is very good. Will you kindly let me know your opinion as soon as possible ?

Yours sincerely,

President.
